

Statement by Martina Talcevska

Please accept my application for the position of NSW Branch Management Committee Member.

I am seeking re-election to continue being a member of the NSW Branch Management Committee as I am currently working as a social worker and I am interested in using my skills and knowledge to be part of a Branch management committee that aims to advocate and advance the role of social workers in the community and to provide, support, resources and training for social workers, experienced and emerging that is meaningful and helps build the the social worker profession.
