What helps and what hinders: Practical strategies for delivering parenting programs

Key dates	Recruitment for Survey 1 open until 30/11
Participants sought	Professionals delivering or coordinating parenting programs
About	This study brings together people who work in parenting programs to agree on the practical strategies that help these programs reach families and run well.
What is involved	Three online surveys, taking about one hour in total, to be completed online. As a thank-you, participants will receive a \$50 supermarket voucher once all surveys have been completed.
How to get involved	Follow the link: https://researchsurveys.deakin.edu.au/jfe/form/SV_8ACeoamozsZTIZQ Please sign up with your work email address where possible, as this helps us confirm that participants are professionals in the field.
Institution and investigator contact	Deakin University, contact Stefanie Ewald at s.ewald@deakin.edu.au
